### TALK OF THE TOWN

Another lot new waists at Vaughan's. See the colored figured lawn 10c per yard at Vaughan's.

Mrs. T. E. Miles of South Main street has returned home, after spending a few days with relatives in South Barre.

A. T. Dana, who has been visiting friends in Barre for a few days, returned this forenoon to his home in Roxbury.

Mrs. Mathilda H. Allen of Merchant street left this forenoon for Waltham, Mass., where she will visit in the family of O. W. Allen.

Carlisle Wells of Cambridge Junction arrived in the city to-day to attend Goddard commencement. Mr. Wells is a graduate from Goddard.

Mr. and Mrs. B. A. Eastman of Cambridge returned to-day from a few days' visit with friends in North Ferrisburg, making the trip by automobile.

Mrs. M. P. Blake of East street is passing several days with her sister in Northfield, during the absence of her husband, who is making a business visit in Boston.

Miss Katherine Letourneau, who has been attending St. Mary's academy in Burlington, was a visitor in the city to-day while on her way home to Graniteville to pass the summer.

Riley's singing orchestra left this afternoon for Northfield, where they will furnish music for a dance to be conducted in the Northfield armory under the auspices of the alumni of Norwich university.

Roy Warden of Barre, a graduate of Goddard seminary in the class of 1911, arrived in the city last night for a few days' visit. Mr. Warden is now employed by the Westinghouse Electric Co. in Scranton, Pa.

Mr. and Mrs. Daniel Webster of South Main street have returned from Vinal Haven, Me., where they have been passing two weeks with their daughter.

Mr. and Mrs. J. C. Griggs were at South Woodbury yesterday to attend the annual meeting of the Washington County Congregational society.

John Jerne of the Montpelier road, who recently returned from St. Albans, where he was employed by the Central Vermont railroad, has commenced work for the Montpelier & Wells River railroad.

Vinol Arrey of the Montpelier road, who recently completed a two years' service as conductor for the Barre and Montpelier Traction company, went yesterday to St. Albans, where he has secured employment with the Central Vermont railroad.

D. M. Miles and son, H. M. Miles, returned last night from Burlington. They were accompanied by Misses Clare and Kathleen Miles, students at St. Mary's academy, Burlington, who are to pass the summer at their home on West street. The trip was made by automobile.

J. W. Ingalls, who has been employed as an assistant at the city engineering offices for the past six weeks, went this week to Portland, Me., where he has secured a position with the Maine Central railroad. Mr. Ingalls is a graduate from Thayer school, Dartmouth college, class of 1911. Since his graduation he has been employed on railroad engineering in Cuba and was engaged on the Grand Trunk extension into Rhode Island.

J. C. Harris of South Main street, returned last night from a several days' outing in Warren. While absent Mr. Harris, who is an angler of no small prowess, put his qualifications to test by fishing the streams of Warren for brook trout. He was rewarded with a full crew the first day out. Mr. Harris is a veteran of the Civil war, but still enjoys long tramps in the woods and fields.

Pastors of several Protestant churches in the city are planning to resume the open-air religious services in city park early next month. In conformity to a custom established a few years ago, the services will likely be held evenings during the months of July and August. In the past these services have been highly successful, the several churches uniting for prayers and address and singing. At the regular meeting of the aldermanic board last night, the request of the pastors for the use of the park was referred to the park commission, which has the care of all parks in the city under the new arrangement.

The proposed game of baseball between Spaulding high school and Goddard seminary for to-day did not materialize. The Spaulding team was unable to assemble all its members for the game. Manager Witt of Goddard has secured a game with the Barre Athletics for to-morrow afternoon. This is done with a view to furnishing some attraction to the alumni visitors. The game will start at 3:30. Peterson and Bishop will be the battery for Goddard and Davidson will do the twirling for Barre.

Paul Scampini, famed in Vermont baseball circles several years ago, showed the baseball public of Graniteville last night that he still has a little baseball left in him. Scampini, leader of a local organization termed the "Clintons," and composed for the most part of Spaulding high school players, invaded Graniteville late yesterday afternoon and showed such rejuvenated form that the Barre team left the field victors by a score of 3 to 2. The game was one of the best seen on Gazeley's park this season. It was chiefly due to the pitching of Scampini and the hitting of Clark, shortstop for the Barre outfit, that the Clintons were enabled to take the game. Scampini should have been credited with a no-hit game, Graniteville registering hits three times, but on each occasion watched fielding by Brown in the "sun" garden, permitted sure outs to pass up as hits. Scampini had greater speed than he ever displayed in his whole career and it was with difficulty that "Brave" Fowle caught him. Eighteen Graniteville batters succumbed before his speed. His control was good, passing but two men. Finnegan and McLeary composed the battery for Graniteville. Another game will be played between the two teams at Graniteville next week.

## Comparative Digestibility of Food

Made with different Baking Powders

From a Series of Elaborate Chemical Tests:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar, phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The relative percentage of the food digested is shown as follows:

Bread made with  
Royal Cream of Tartar Powder:

100 Per Cent. Digested

Bread made with  
phosphate powder:

68 1/4 Per Cent. Digested

Bread made with  
alum powder:

67 1/4 Per Cent. Digested

These tests, which are absolutely reliable and unprejudiced, make plain a fact of great importance to everyone: Food raised with Royal, a cream of tartar Baking Powder, is shown to be entirely digestible, while the alum and phosphate powders are found to largely retard the digestion of the food made from them.

Undigested food is not only wasted food, but it is the source of very many bodily ailments.

### TALK OF THE TOWN

Hector Berry of Ithaca, P. Q., arrived in the city this morning for a month's visit with relatives.

Miss Edith Hutton of Summer street has returned home, after a short visit with friends in Groton.

Louis Sassi of North Main street left last night for Albany, N. Y., where he will visit friends for ten days.

Mrs. James Cook of South Main street went this morning to Northfield, where she will visit relatives for a few days.

Maurice Bugbee of Washington street went this forenoon to Burlington, where he will spend several days with friends.

Other Harry Gamble of the police department and Mrs. Gamble went this morning to Moretown to visit relatives.

Dr. J. B. Everglade, who has been spending several days in the city, returned this morning to his home in Wallingford.

There will be a rehearsal for the Children's day concert at the Universalist church at the vestry to-morrow afternoon at 1 o'clock.

Miss Alice Shorey, who has just closed a successful term of school in South Barre, returned yesterday to her home in Plainfield for the summer.

Superintendent E. P. Carter of the Central Granite Co., returned this morning from a two weeks' business trip through Massachusetts in the interest of the company.

Mrs. Herbert Mower, who has been visiting friends in the city for a few days, left last night for her home in Oswego, N. Y. She will visit in Glens Falls on her way home.

Dan F. Davis, president of the state board of pharmacy, returned to-day from Brandon, where he has been attending the annual convention of the Vermont State Pharmaceutical association.

Dr. Albert C. Freeman, who was graduated to-day from the medical department of the University of Vermont, Burlington, will leave in a few days for Norwich, Conn., where he is to be connected with the Norwich hospital.

The Barre Sharpening Co. is to erect a sharpening plant off Smith street and work on the structure will be started within a few days, as the result of a permit which was granted at the regular meeting of the board of aldermen last evening. The building is to be 20x40 feet and one and one-half stories high. One of the company's sharpening machines will be installed and placed at the disposal of granite manufacturers in the vicinity.

Deputy Sheriff A. M. Morrison and Fred C. Eaton went this morning to Chelsea, where they testified in the case of State vs. Mr. and Mrs. Clinton Bower of Wallis River, who were under indictment for infanticide, it is said. They were accompanied by Attorney William Wishart. Mr. Eaton was employed by the state to take several photographs of the scene of the alleged crime in the town of Topsham, while it is likely that the deputy sheriff will be asked to testify as a former neighbor of the indicted woman. The trial was docketed to begin this morning as the state is to be represented by State's Attorney Frank Williams of Bradford, a former practicing attorney of this city.

### TALK OF THE TOWN

Ladies' long silk gloves 50c, 75c, and \$1.00. At Vaughan's.

Mr. and Mrs. Ernest Forbes, who have been spending several weeks in Barre, returned last night to their home in Redstone, N. H.

Misses Margaret and Joanna Milne of Boston arrived in the city yesterday for several months' visit at the home of their parents, Mr. and Mrs. John E. Milne, 61 Warren street.

Mrs. William Cassidy of Hinesburg arrived in the city to-day to attend the commencement exercises at Goddard seminary. Her daughter, Miss Hazel Cassidy, graduates this week from Goddard.

Lawrence Tinkham, a member of the 1911 class at Goddard seminary, and who was graduated with honors from the Bryant & Stratton Commercial college at Boston this spring, arrived in the city to-day to attend commencement at Goddard.

### MORE QUIET WANTED.

During Band Concerts Park Commissioners Give Notice.

At previous hand concerts there has been considerable annoyance to those, trying to listen to the music, by boys and girls playing tag or running around with loud shouts and laughter.

This does not seem to be the proper conduct, as it is rude and very discourteous to those giving the concert, as well as to those who come to listen.

The undersigned are endeavoring to make the city park a little beauty spot of green and shade; and running around playing games and spoiling the grass is not what the park is intended for.

We wish respectfully to call the attention of the parents to the matter, so that they may restrain their children from a practice which is against the rules of the park and which, if it were not should not be indulged in while a concert is in progress. The city appropriates money for the music and those who do not wish to hear it should stay away.

We are sure that the word which we are speaking, endeavoring to save the beauty of city park, is also felt by the churches and owners of private property in the vicinity, whose kindness in allowing people to stand or sit upon their property should not be abused.

Respectfully,  
George A. Reed,  
Alice Hanton,  
C. B. Gladding,  
Park commissioners.
